SEQUOIA AND KINGS CANYON NATIONAL PARKS

Sequoia and Kings Canyon National Parks, which lie side-by-side in the southern Sierra Nevada in central California, serve as a prime example of nature's size, beauty, and diversity. With the world's largest trees (by volume), grand mountains, rugged foothills, deep canyons, vast caverns, and the highest point in the lower 48 states, it is a place that attracts 1.6 million visitors a year from across the U.S. and the world. Visitor activities vary by season and elevation. For more information, visit www.nps.gov/seki or call 559-565-3341.

EXPERIENCE YOUR AMERICA

The National Park Service cares for special places saved by the American people so that all may experience our heritage.
